

THE STATE OF TEXAS )(

COUNTY OF TARRANT )(

Before me the undersigned notary public in and for the State and County aforesaid, on this day personally appeared, ROBERTO JORDAN, having been duly sworn deposes and says:

Beg. Time: 9:45 AM

My name is Roberto Jordan. I am 23 years of age. My date of birth is July 11, 1974. I live at [REDACTED] Fort Worth, Texas 76106. My contact telephone number is [REDACTED]. I have completed 12 years of school. I can read, write and speak the English Language.

On Sunday, August 3, 1997, I went by my uncle, Juan Garcia's house on Denver Street. It was about 9:30 PM. I went by there because my uncle had been looking for me. He was not there and my cousin, Armita Garcia, told me he was at my mom's house. As I pulled in the driveway in my truck, I noticed Armita standing on the porch talking to a guy. The guy was sitting on a couch. He was a hispanic male, kind of chubby with short hair. He had pock marks on his right cheek. He kept his head down and wouldn't look up at me, he just kept looking down at the ground. I just saw him from the side. He was sitting kind of slumped over. Armita walked over to my truck to talk to me. Armita told me that my uncle was at my mom's house. I thought that she knew him since she didn't say anything to me, I felt everything was okay and I left and went to my mom's house. My mom lives on Columbus Street. When I got to my mom's house, I talked to my uncle. As far as I know this is the first time I had ever seen the guy that was sitting there.

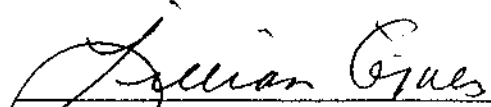

On Monday, August 4, 1997, while I was working at my job, Detective Thornton came by and showed me some pictures. One of the pictures he showed me looked like the guy that I saw sitting on the porch with my cousin the night before.

On Tuesday, August 12, 1997 at approximately 1050 AM, Detective Thornton showed me a line up and during the line up, I recognized the guy for sure that was on the porch with Armida. I have read the above statement and it true and correct as I have told it to Detective Thornton.
