Best Place to Host a Wedding/Party Best Golf Course

Walnut Creek Country Club
1151 Country Club Drive
(817) 473-6111
General manager: Eric Walker

Walnut Creek has been a model of consistency since the Best of Mansfield contest started in 2006. The club has won every year for Best Golf Course and for Best Place to Host a Wedding/Party. The key, according to general manager Eric Walker, is to invest in the course and the rest will fall into place.

"We know the course is one of the primary reasons we are here, and when we improve on that, everything else gets better," Walker said. "As for the reception hall, it's a great experience; the food is great, the staff is great and the facility is beautiful. We are really proud of the work we have put into it."

The club has been open for 35 years and some staff members have been at the club for decades, a fact that Walker says "speaks volumes" about the great team at Walnut Creek.
